CBSE Affiliation Number 2130141

PROSPECTUS

## Chairman's Message

I am immensely pleased to present before you the prospectus of Puranchandra Vidyaniketan. My unwavering conviction is that in a world that is changing every millisecond, education needs to evolve too.

The educational initiative of the Jagran Group has accepted this challenge by establishing a chain of Jagran Public Schools in various parts of the country so that they help bring about a change in the future of the country .

It has been our constant endeavour to provide Quality Education coupled with sound character building by blending Indian Culture and heritage with an internationally accepted educational system. Puranchandra Vidyaniketan strives for precisely that and the infrastructure and team of dedicated staff makes up for the ideal education ambience at Puranchandra Vidyaniketan.

It is my firm belief that a child's mind is a universe full of possibilities. It needs the right environment to develop to its maximum potential at school and at home. As the saying goes, "A child's mind is like a dry sponge, ready to soak; all you need to do is to take it to the water".

I invite you to the campus of Puranchandra Vidyaniketan and feel the vibration of its ambience which can be compared with the physical and human infrastructure found in any school in the country. Let us together lay a solid foundation of a New India by giving opportunity to all the deserving children to achieve their best in Physical, Intellectual, Emotional and Spiritual development.

With best wishes,

**Y. M. Gupta**  
Chairman

## Vice Chairperson's Message

In today's world, we need people who are alert and sensitive, people who are the seekers of knowledge and wisdom. Today children need to start off early to match steps with or better still, outpace the pace of development. The challenge before the Teachers and Parents is how we can educate our children according to the present day needs. It is possible by learning to know, learning to do, learning to be authentic and learning to live together.

Puranchandra Vidyaniketan epitomizes a way of education that embraces the best of the east and the west, the best of the modern and the traditional, to prepare your child to become a genuine world citizen. This is being achieved by our efforts to discover and nurture the special gifts embedded in each student and inspiring them to attain peak potential to face the complexities of life with courage and lead a disciplined life. Our school motto is 'Vidya Dadati Vinayam'. We aim to inculcate ethical and moral values in a child by providing an appropriate moral and cultural environment so that youthful energy is harnessed to make them socially responsible citizens of the country.

I invite you to come and join us in our movement to identify the latent potentials of your child by our innovative pedagogy of educational system. Give him/her the opportunity to excel in his/her chosen area, be it sports, academics, art, music or any other intellectual pursuit at Puranchandra Vidyaniketan.

Wishing you the very best,

**Ritu Gupta**  
Vice-Chairperson

## Our Guiding Spirit

**Late Shri Puran Chandra Gupta**

(2nd Jan.1912 - 16th Sept.1986)

Founder: JAGRAN GROUP

In the year 1987, Shri Puran Chandra Gupta Smarak Trust was established in the memory of Late Shri Puran Chandra Gupta, the Founder of Dainik Jagran Newspaper. His Holiness Late Shri Swami Ram, Spiritual Head of the Trust, emphasized to establish a VIDYANIKETAN in Kanpur to provide best possible education synthesizing the Indian culture, heritage, and traditions with modern education technology.

### Aims and Objectives

Purananchandra Vidyaniketan would strive for overall development of a child by heterogeneously blending Indian culture and heritage with modern internationally acceptable educational systems. This would broadly cover the following:

- Provide quality education and creating a zest for learning.
- Broadening mental horizons and creating awareness within.
- Ensuring physical, mental and spiritual growth.
- Channelise youthful energy towards the environment and society with a positive attitude.
- Face the complexities of life with courage and lead a disciplined life.
- Strong emphasis on character growth.
- Inculcate in a child, ethical and moral values by providing an appropriate moral and cultural environment.

### Moral & Value Education

The school's main objective is to develop human values in the students to appreciate the good living. Adequate emphasis is laid on building strong character and good social contribution. Our obligation to students goes beyond basic education. We aim at building them as conscientious, confident and independent individuals to transform them into responsible citizens of India.

**The Motto of the School is**  
**VIDYA DADATI VINAYAM (विद्या ददाति विनयम्)**  
**Knowledge bestows Humility**

# Location Map

## Campus

The campus is thoughtfully planned and incorporates a futuristic design. It offers the perfect setting for physical well-being and harmonious development of the mind and spirit. Its gardens and playfields provide a pleasing sight and a suitable atmosphere for a sound mind in a sound body.

## School Building

On a six-acre plot in Barra, Kanpur, the three very large school buildings, each four storeys high cater well to the requirements of a fully developed 10+2 school.

Equipped with large and airy classrooms, audio-visual centre, libraries, learning resource centres, science and computer labs, it also has a hostel facility for boys.

*"Excellent spirit amongst the students. A pleasant surprise that even Grade 12 students are encouraged to work with hands. A very rare initiative which will surely influence all of us to work with hands and respect those who work with hands. Wish to come again to the school to learn more."*

*- Shri Vineet Joshi, Chairman, CBSE

## Teaching Staff

Our teachers are well qualified, most with long experience of working in Public Schools. They are efficient and committed to maintain and improve the standards of a really good public school.

## Student-Parent-Teacher Interaction

The school urges parents to keep constant communication to help monitor the growth and development of the student. Parent teacher meetings are held about four times a year so that the parents can discuss their wards progress with the subject teachers. Apart from this, the Class Teachers, the Coordinators and In-charges of the Nursery, Primary, Middle and Senior sections and the Vice Principal are available for interaction with the parents. Parents are encouraged to discuss their wards education and well-being with the Principal at the appointed times.

*"This school is a prestigious school. It is built with a vision. All the best."*

## Art & Music Education

The school strives to develop the finer human sensitivity and appreciation of aesthetics through Art and Music. It provides a lot of scope for the students to take up Art through various media. Our Art and Craft teachers give each student lessons in different techniques and styles. Four large halls are exclusively set aside as art and craft areas.

For Music and Dance there are six teachers continuously helping students learn and appreciate the Indian Classical Music. A large area with spacious rooms is developed in the school building itself for vocal and instrumental music, dance and a lecture room.

### • Shankar Mahadevan Academy (SMA)

The School also has collaboration with 'The Shankar Mahadevan Academy' to impart 'Programmed Music Curriculum', framed on a pattern of activity based learning. All students upto Class IV and select students of Class V to VIII learn Music online in this programme, helped by the school music faculty.

## Health and Physical Education

The school aims at all round development of the student's personality. It focuses on the activities that harmonize the body and the mind. The students participate in various games and sports throughout the year. Besides this many students reach early or stay back after school to play or participate in sports coaching. The events are organized house wise through which they are brought up to meet challenges. All participants and those who excel are awarded prizes and certificates in the intra and inter school competitions that are an integral part of the School calendar. To help the students attain a sound physique, a new gymnasium is set up in the school.

## Information Technology

Information & Communication Technology is an essential part of the curriculum and is introduced from class I level. The four air conditioned computer labs for primary, middle and senior section are equipped with Core i5 processor, TFT's & networking. Computer application is a compulsory subject for class IX/X students. Class XI/XII students pursue Computer Science or Informatics Practices as an elective subject. PCVN ICT Society (PITS) organizes the popular IT related annual Carnival for various schools of UP. Students organize and participate in IT competitions to keep them abreast with latest technological developments.

## Digital Learning Resource Centre

The school has constructed a new four storeyed block in the campus with the singular purpose to enhance the quality of Teaching Learning Process. All the learning resources, traditional as well as modern are kept in a class specific Learning Resource Centre.

These halls are fully air conditioned and equipped with State of Art equipment such as Promethean Board, projectors and Computers. The teachers are trained in the use of such technology to augment their traditional pupil specific classroom teaching.

Being spacious these halls allow flexible seating to make group activities more effective for teaching all subjects

## Opportunities for Creative Writing and the School Publications

Children are encouraged to express their views through creative writing. We publish six issues of the School Newsletter-EXPOSURE, the Annual Profile-DIFFERENT STROKES and the Annual Chronicle - JAGRITI during each academic session. They get ample opportunity to write on certain topics for Wall Magazine - UNMESH and the IMPRESSION boards that are used for Inter House competitions for creative writing on thought provoking topics.

## House Culture

The students are divided into four Houses named Blue Birds, Golden Wings, Green Leaves and Red Roses thus providing opportunities for healthy competition in sports and other activities. Each house is in charge of a House Master/Mistress, who is responsible for grooming the students with the help of their house teachers and house prefects. The system encourages a sense of teamwork and community responsibility.

## Outward Bound School Activities

Students are sent on trekking and cycling expeditions and other organized trips with teachers as escorts regularly to give them exposure to outer world. Places usually visited by younger age group students include Allen Forest, Moti-Jheel, Bird Sanctuary at Nawabganj, Ganga Ghat, Bithoor, Parag Dairy, Dainik Jagran Press, Tanneries, Kannauj, Kalpi Fort, Lucknow etc. Our middle school and senior school students are encouraged to travel by train with/without escorts. These students are often sent out on Trekking expeditions to places like Gangotri, Kedarnath, Badrinath, Shimla Hills etc. A few students are sent regularly to attend the Adventure Courses at Nehru Institute of Mountaineering, Uttarkashi and National Adventure Institute, Panchmarhi. Such activities boost their confidence and make them learn to tackle the real world.

## Scouts and Guides

Bharat Scouts and Guides programme is organized throughout the year for the students of classes V to VIII. In this, they undergo training for various activities like tent pitching, cooking, first aid, scout laws etc. They all enjoy the Annual Endurance camp that is usually held in the school.

## NCC

The school has a squad of 50 NCC Cadets of the junior division for boys and girls under the supervision of the 59 Battalion of NCC. The students of the NCC troops take part in parades and instructional classes and are regular attendants of Annual Training Camps and weapon training sessions held at the 59 UP NCC Battalion. They also help the staff members to efficiently organize and manage the various school functions.

## Yoga

Yoga, one of the six orthodox schools of Hindu philosophical traditions, is a way of living that aims towards a healthy mind in a healthy body. It is associated with relaxation of body and mind and thus is a must for the children of today. In our school, a large number of students from classes I to VIII are taught Yoga as an activity by a trained Yoga Instructor. It is because of this training that every year our NCC cadets have been a part of International Yoga day celebrations organized by 59 UP NCC Battalion, Kanpur.

## School Prefectorial Body

The school gives various responsibilities to the students at different levels to encourage their leadership traits. Class monitors, Games captains, Activity Secretaries and monitors from class XI are appointed to develop leadership qualities.

All these culminate in a student's opportunity to be appointed as the House Prefect, House Captain, School Prefect, Headboy or Headgirl. The school expects the Prefectorial body to contribute to the discipline and development of the school by being role models to the other students in excellence and conduct.

## Career Guidance and Counselling

Students are given career guidance and counselling to expose them to the vast range of careers open to them. Guest speakers are invited from time to time to provide valuable information in various fields of work and study. Students of class X and XII are provided career guidance and counseling by professional experts every year.

## Old Students Association

The old students of our school have a registered society known as Puranchandra Ex-students Association (PESA) under which they interact and get together at least once a year. A lot of our students who are in key positions in India and abroad are keen to provide constructive support to their alma mater.

# Facilities

## Workshops and Laboratories

The school has fully operational workshops and laboratories. The students love to work with hands in Electronics, Photography, Carpentry, Sculpture and Clay-Modelling under the guidance of instructors.

For Physics, Chemistry and Biology three spacious laboratories are available. These are well ventilated and provided with quality apparatus and instruments. The Computer laboratories are fully renovated with latest systems and hardware.

## Phonics and Reading Programme

NutSpace's Phonics and BookNut's Reading Programme has been introduced to help students master phonics and make 'learning to read' fun and interactive.

## Learning Resource Centre

The emphasis of our teaching especially up to the middle school is on "I do, I learn", In the Learning Resource Centre the students are given direct experience of acquiring the knowledge through participation in an activity. This helps them in forming a sound conceptual base in all subjects like Science, Mathematics, Social Science, and Languages etc. There are separate learning resource centers for junior and senior students.

## Mathematics Lab

The School has a well-equipped Maths Lab for Primary Section where the students learn steps of Addition, Subtraction, Multiplication and Division in an interactive method with a number of tools including Mathematical games and Geometrical models. The group activities in the Maths Lab make learning fun.

## Library

The school has three spacious and well-stocked libraries-senior, middle and primary. Each wing has a separate library in which books, magazines and periodicals suitable to their age group are kept. Students are given two periods per week to make use of the library. They are also allowed to go to the library in their free periods to consult reference books.

The students are encouraged from the very beginning to use the libraries and enrich their knowledge. In addition, there is career information room where the teacher in-charge is available to help and advice.

## Health Care

Health record of the students is maintained in the school through regular medical checkups. In case of serious illness the parents are informed immediately and the student is given medical attention in the nearby hospital with the consulting doctors.

The school has its own Infirmary. The height and weight of students is recorded and reported to the parents with the Term reports. Visiting physicians and specialists carry out general medical, eye and dental checkups at least once in a year.

## Canteen

To ensure that the students get unadulterated snacks/food at reasonable rates, the school has developed a canteen. The students are allowed to the canteen only at recess. Student/staff may either register for a cooked lunch on a regular basis or choose from a variety of snacks. Price and quality of the items is checked from time to time.

## School Transport

The school has a fleet of seven buses to cover various routes in Kidwai Nagar, Govind Nagar, Ratanlal Nagar, Pandu Nagar, Swaroop Nagar, Azad Nagar, Nawab Ganj, Vishnupuri, Sharda Nagar, Geeta Nagar, Vikas Nagar, Awas Vikas, Armapur, Kalyanpur, The Mall Road, Cantonment, Murray Crossing, Civil Lines and other negotiable areas. This facility is available to the students at a reasonable charge. Accommodation in the school transport has to be applied for, in advance, on a prescribed form.

## Bank Counter

The school fee can be paid at the Central Bank of India, Subhash Balika Vidyalaya, Saket Nagar, during the first fifteen days of April, July, October and January for each quarter respectively.

## Nursery Section

A part of the school campus is exclusively set aside for the Nursery Section. This comprises LKG, UKG and the newly added Playgroup under the care of well experienced teachers and assistant teachers. Our tiny tots have big, bright, spacious and vibrant class activity rooms adjoining the greenery and play areas. Colours and craft, along with audio visual equipment, song and dance activities keep them stimulated all through their time in the school. The whole variety of play equipment is safe and age specific.

*"I am truly impressed with the holistic education approach of the School in all aspects."*

# Boy's Hostel

The need for establishing a hostel was felt since the inception of the school in the year 1991 as lot many parents who were either in transferable Govt./Semi-Govt./Pvt. jobs/Business or living at a place where there is no provision of proper educational facilities to their wards, requested the School for providing hostel facility. Their wish became our commitment. To provide the best possible education to the students in an atmosphere most congenial for the all round development of the personality, PCVN provides a 'Home' away from home.

## Admission Procedure to hostel

Anyone seeking admission to Puranchandra Vidyaniketan Boys' Hostel, has to fulfill the necessary conditions for admission into any Class (Class V to XII) as per school rules. A separate Application Form (which is available on request) should be submitted duly filled-in. Before giving the final offer for a seat in the Hostel, the parents of the child will be called for a personal interview with the Principal.

## Eligibility Criteria

The admission into PCVN Boy's Hostel is restricted to the bonafide students of the school from class V to XII whose parents/guardians are in transferable jobs or are living at a place outside Kanpur where there is no provision for proper education or are living abroad.

A limited number of seats are available in the hostel for boys only, in different classes in the current session.

## Spacious Dormitories

The Boy's Hostel Complex is designed and constructed on the second floor of the junior school building, under the direction of a renowned architect to provide the best facilities and a pleasant ambience.

The hostel has three spacious, nicely illuminated and centrally air-cooled dormitories. Each dormitory houses about twenty students.

## Furniture and Fixtures

In order to make the living of the students comfortable, the living area, dining hall, recreational rooms, Infirmary, toilets and bathrooms are provided with excellent furniture and fixtures.

## Textbooks and Stationery

The students admitted into the Hostel are provided with textbooks and stationery items (one time issue) as per the prescribed book list from the school. The special stationery items will be made available to them from the school book shop against payment through bills.

### **Nutritious Food**

The students are provided with a wholesome and nutritious vegetarian diet. All meals are cooked and prepared under the supervision of the school staff (not a contractor) in the hostel kitchen. The kitchen is equipped with modern gadgets, stainless steel cutlery and standard crockery to maintain good hygiene. To promote good eating habits and table manners, the children are served food in the dining hall situated on the same floor.

### **Communication Facility**

The students of the hostel have access to the telephone through the Hostel Warden and the School office.

### **Constant Care and Guidance**

The students live in the hostel under the constant care of a senior teacher who is the Resident Hostel Warden. The Principal, who lives on the same floor of the building oversees and supervises the administration and discipline of the hostel.

### **Special Tutorial Classes**

Our own school teachers give special tutorial classes to students living in the hostel. During these evening classes the students get the help and guidance of the particular subject teachers.

### **Discipline**

As soon as the student is admitted into the school and the hostel he comes under the school rules and hostel rules of discipline. Any violation of rules will be dealt seriously. The parents are requested to cooperate with the school authorities to maintain a high standard of discipline.

*" I had a very productive visit. The school is truly of a high standard. Really enjoyed speaking to the students."*

# Admission Procedure

- (i) The school registers names for admission in Playgroup, LKG, I to IX and XI in the month of December.
- (ii) Registered applicants are tested on the basis of standard NCERT syllabus on a particular date in January/February. (Exact date will be notified at the time of Registration).
- (iii) Candidates, short-listed on the basis of written test, may be called for an interview. The selected students are informed through an SMS.
- (iv) Selected students will be admitted within a week after the publication of results.
- (v) For Playgroup the "preferred" age is 3 years, for LKG 4 years, for UKG 5 years and 6 years for Class I. This preferred age criteria is followed for higher classes as applicable. Valid proof of age is required at the time of registration. The Birth Certificate (original) duly signed by the competent authority will be accepted as a proof of age for Class I and below. For other classes, a valid certificate signed by the Principal of the school in which the student is studying at present will be accepted.
- (vi) Two passport size photographs are to be attached with the registration Form.

## WITHDRAWAL RULES

The school may at any time, and without assigning reasons, ask a parent to withdraw his/her ward, if such a course is in the best interest of the school and the student.

A parent wishing to withdraw his ward must give at least one month's notice in writing. The transfer certificate and Examination Result Card will not be issued until all school dues have been paid.
